St Peter's is an active Catholic Community, inspired by the life of Jesus. It is a place where children learn and grow in a happy, secure and nurturing environment with Christ at its centre.

At St Peter's our aims are that:

- Everyone is encouraged to strive to achieve individual excellence in all learning experiences.
- As part of the Catholic Church in Winchester we support all members of the School community in their journey of faith, by acknowledging and celebrating the presence and active love of God.
- As a Christian community we reach out to parents, the community and the wider world.

The Vision and Mission statements underpin the school curriculum. From these a culture and ethos is generated that supports the spiritual development of all involved in the community. The school is committed to ensuring that the curriculum is broad and balanced in order that the needs of all children are provided for and the uniqueness of each individual is valued. We develop the whole child through striving for excellent academic achievement along with valuing the spiritual, social, moral, cultural, physical and creative development of each individual.

We believe that intelligence is multi-faceted, and children learn in different ways; the curriculum must support this.

In all subjects, **recalling pre-knowledge and skills** is fundamental to our rationale for all curriculum areas. This means that essential linked knowledge/ skills are **revised** and links made with children's current learning in all subjects. Key concepts/ end points for each topic are highlighted and **over-learning** of these areas occurs through **repetition, modelling and scaffolding of learning**. Through our subject-specific Schemes of Work, we make sure that learning for all is progressive and sequential. In addition, reading and vocabulary are emphasised in all subjects. Thus, key concepts become embedded in the **long-term memory**.

Learning a Modern Foreign Language is not statutory for EYFS/KS1. We spend these First Years of a Child's education embracing, celebrating, and learning the greetings for the diverse languages spoken within the cohort (including French). We learn simple phrases and traditional French songs during continuous provision.

Progression of Skills

EYFS	ELG: 1 - Listening and attention: Children listen attentively in a range of situations. 3 - Speaking: Children express themselves effectively, showing awareness of listeners' needs. (Communication and language) 13 – People and communities: They know about similarities and differences between themselves and others, and among families, communities, and traditions (Knowledge and Understanding of the World).
