

## Supporting Reading in Year 5

It is still vital to support your child's reading in year 5. For the majority of children, the first stage is ensuring that they are reading for at least 15-20 minutes a day.

Read fun, interesting and inspiring books together to foster a love of reading. Read for pleasure. Please use the recommended reading list for year 5, which has been emailed to you.

In Year 5 it is still important to **read together and discuss what is happening in the story**. This will expose the children to think whilst reading and improve their reading and comprehension skills. Refer to the SLS (School Library Service) website for ideal books for 9-10 year olds.
