

Supporting Handwriting in Year 4

In Year 4, your child will continue learning to:

- Use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined.
- Increase the legibility, consistency and quality of their handwriting (for example, by ensuring that the downstrokes of letters are parallel and equidistant; that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch).

You may wish to use some support guidelines to continue to practise this.

A series of 12 horizontal handwriting practice lines. Each line consists of a solid top line, a dashed midline, and a solid bottom line, providing a guide for letter height and placement.
