

# Supporting Maths in Year 2

Children should be fluent in these times tables:

1 x

2 x

5 x

10 x

Please use Numbots and Times Table Rock Stars online to help support fluency. Your child has a log-on and password that works for both websites.

All UK coins - 1p, 2p, 5p, 10p 20p 50p, £1, £2

How to add coins and make change.

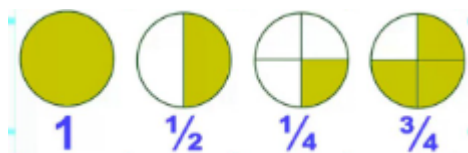

Adding and subtracting numbers up to 99.

Fluent in the number bonds within and up to 20. Some examples:

$$2 + 7 = \quad 13 + 7 = \quad 5 + 6 = \quad 20 - 10 = \quad 18 - 6 =$$

Fractions:

Whole, half, quarter

Use of symbols = equal to < less than > greater than
