## **IN THE EVENT OF EMERGENCY CLOSURE**

In the event that the Met. Office forecasts potential severe weather for our area of Hampshire, we would plan to open as usual, but a final decision will be taken in the morning, based on weather conditions and whether it is considered to be safe for staff and children to travel. If a decision is taken to close St. Peter's School, Little Fishes Pre-School will also be closed.

Please plan to send your child to Little Fishes as usual. However, please also take into consideration the risk of bad weather and make the following arrangements:

- Please ensure your child is wearing warm, waterproof clothing, including sturdy shoes / Wellington boots, hat, scarf and gloves and a warm coat.
- Please make some childcare arrangements so that if Little Fishes is unable to open, or needs to close during the day you have plans in place.
- Please ensure that your child knows who is to collect them if Little Fishes closes early due to deteriorating weather conditions or other eventualities.

Before leaving home, please check we are open. You can do this in the following ways:

- Check the school website at: [www.stpetershants.co.uk](http://www.stpetershants.co.uk)
- Check the Council's website at <http://www.hants.gov.uk>

If Little Fishes has to close during the day, we will contact you via telephone - please ensure that your phone is switched on.

Further updates will be posted onto the school website and the Council website.
