Year One

Core texts for class story time

<p>Summer</p>	 <p>Other traditional tales – Billy Goats gruff</p>		 <p>Fairy stories – Princess and Pea Rapunzel Rumpelstiltskin</p>
---------------	---	--	--

This is a set of core texts for story time. They will be read more than once in order to develop familiarity. Class teachers also choose other texts to read to the class throughout the year.

Teachers will read in order to develop reading for pleasure, developing vocabulary, supporting children to make links with their own experiences and to develop inferencing and prediction skills. Children will develop familiarity with key stories, traditional and fairy stories. They will join in with repeated phrases and rhyming patterns.
