*'I have come that they may have life,
and have it to the full' John 10v10*

3rd December 2025

Last Sunday was the 1st Sunday of Advent
Luke 2: 36-40

Dear Parents

Advent

Light Up Our Lives

*Christ, come into our world of darkness
Light up our lives with your coming.
Fulfil all our longings with the joy of your birth
Strengthen our resolve to work for change in our world
And to share the hope of your birth that each Advent brings.
Amen.*

Sr Bridgetta Rooney/CAFOD

And so we begin our Advent journey ... with hope in our hearts.

Stella Maris are again appealing for Christmas gifts for seafarers who will be away from home at Christmas. This year they are asking for chocolate gifts. Please send any chocolate into school during December and no later than **Monday 15th December**. Thank you for your generosity to this worthwhile cause. We will be collecting any chocolate gifts after our nativity.

"Repent, for the kingdom of heaven is at hand!" Matthew 3:1-12

Thank you Mrs Tuft

Mrs Tuft, EYFS lead, will be leaving us after over 8 years' service, within Senior Leadership team, to become a Special Needs Officer for Hampshire County Council. I would like to thank Mrs Tuft for everything she has contributed to St Peter's over this time. She has worked relentlessly on various school improvement projects and has been a source of common sense advice for many, including me.

Mrs Tuft has always seen the potential in every child and adult that she works with and she will find ways of nurturing and coaching to ensure that everyone can be the best that they can be. While she will be greatly missed we are pleased that she has achieved this promotion and we know that she will take all her skill set to Hampshire.

The Living Rain Forest – Year 5

Our Year 5 pupils had the incredible opportunity to visit The Living Rainforest in Newbury, and what an adventure it was! The trip brought their classroom learning about ecosystems and biodiversity to life.

The children were captivated by the lush greenery, the humid atmosphere, and the amazing variety of plants and animals. They explored winding paths surrounded by towering trees and vibrant tropical flowers, discovering creatures such as poison dart frogs, a sloth, and even a cheeky Curassow bird named Luigi!

Pupils learned about the importance of rainforests for our planet, they asked thoughtful questions and showed great curiosity throughout the day.

We are so proud of how engaged and enthusiastic Year 5 were during the trip.

'My favourite part was seeing the armadillo.' - Jack

'I enjoyed finding out all about the rainforest.' - Edlyn

'Seeing all of the different animals moving around was amazing.' – Dominic

Football Match

The boys' football team delivered a thrilling performance in their final game before Christmas, drawing 3–3 in a fast-paced and hard-fought match. From the first whistle, the team showed determination and teamwork, creating plenty of scoring opportunities and responding confidently each time the opposition applied pressure. With impressive goals, strong defending, and real resilience throughout, the boys demonstrated great spirit and sportsmanship. A big thank you to all the parents and staff for their support and for driving the boys to and from the game - your encouragement makes a real difference. It was an exciting match and a result the team can be proud of as they continue to grow and develop.

Cameron Bepolka Memorial Wildlife Talk

Last Wednesday, 30 children were lucky enough to be invited to a talk about wildlife conservation at Winchester College, organised by the Cameron Bepolka Trust. The Cameron Bepolka Trust is a charity that has been set up in memory of Cameron. He was a young naturalist who loved nature, in particular birds, and spent much of his time exploring the outdoors. The main aim of the Trust is to inspire and encourage young people to love and appreciate wildlife and our environment.

The Hawk Conservancy gave a fascinating, interactive talk about the conservation of birds of prey and the children were given ideas for small changes they can make to help them. This included creating homes for wildlife by making bug hotels and hedgehog shelters and allowing a small part of a garden to grow wild. Plants like daisies, clover and buttercups offer food, shelter and breeding grounds for insects that in turn provide food for birds.

Orla said "It was really good. I liked how everyone participated by answering questions by putting our hands up or shouting out."

Ohene shared "I learnt about all sorts of birds from around the world."

Jaden said "I enjoyed it and learnt that a lapett vulture has a wingspan of 3 metres."

Bella said "I loved it. I enjoyed listening to the bird sounds."

Tickets for Advent Liturgy

This year our Advent Liturgy will again be held in St Stephen's Church on Tuesday 16th December and as before there will be two opportunities to be a part of this delightful Liturgy. We do have to limit numbers, for safety reasons, so our first Liturgy will be at 2.30pm and our second will be at 6pm.

Tickets will be available via Ticketsource from 10am on Thursday 4th December, please see the link below. If you do want tickets, then please be aware that they are on a **first come first served basis**, and a **maximum of two per family**. If we have any spare tickets then these can be booked in the same way from Friday 12th December.

Years 3 – 6 will be actively taking part in the Advent Liturgy in the afternoon as well as the evening. All children are expected to attend the evening.

As always, there is no charge for the Liturgy, although we are collecting for Friends of the Family. Friends of the Family covers Winchester and its surrounding villages. They offer families a range of support services and friendly guidance, to overcome challenges and turn their lives around - <https://www.fotfwinchester.org/>

Logistical details eg picking up and dropping off in the evening will be given shortly.

JRSO Road Safety Training

Last week our Junior Road Safety Officers had online training with the Hampshire Road Safety team. They shared how they had been working with Mrs Sharrock on highlighting how important it is to be seen during these dark mornings on the way to school. They also celebrated the poster competition, the winning posters of which you will be seeing around the school site soon.

Prayer Diary for December

Attached to this newsletter is a Prayer Diary for December that you might like to share at home with your child.

St Stephen's Travelling Nativity

This Advent, Mary and Joseph are travelling with the little donkey to Bethlehem. On their way they are hoping to find a different inn to stay at every night. Could they come to stay at your house? The Travelling Nativity will come to you for a night and then you are expected to pass them on to the next family. This is a good opportunity to meet other families and pray together this Advent.

Please let me know if you would like to participate and I will add your family to the rota. Please can you share your address and your contact details (these will be shared on the group rota). The first Sunday of advent is November 30th so please do email me as soon as you can if you would like to take part. You can contact me on emily.lee150@gmail.com

Thank you.

Picture News

Picture News is a new whole school project that we started last year to improve our oracy. Each week the picture that we have looked at in class will be sent home with a key question to aid some discussion on a piece of current news.

TAKEHOME

How important is it to feel a sense of togetherness?

On Friday, the Princess of Wales will host her annual carol service, which will bring people together to celebrate kindness, connection, and community. The event aims to show how love can link people of all ages, backgrounds, and beliefs, especially at times when the world can feel divided. It encourages everyone to think about the power of togetherness and the importance of supporting one another with compassion and joy.

In the news this week

Things to talk about at home ...

- Talk to someone at home – are they interested in this concert? Do you or they believe it will achieve its aim in bringing people together?
- Are there any services, concerts, or events that you will be attending during the festive period?
- Talk about what 'togetherness' means to you and your people at home.

Little Fishes News

We are beginning our journey through Advent. We are reading the story and learning how Mary begins her journey to Bethlehem riding on a donkey. We are talking about our experiences, as we excitedly tell each other about putting up our Christmas trees and opening the first window on our Advent calendar. We are making a colour display to tell the story of The Nativity and our wooden play house has become the stable. We are looking forward to our families coming to join us on 9th December when we can share the story with them and sing the carols we have been learning.

Safeguarding Quote of the Week

'If I could give my child three things, it would be the confidence to always know their self-worth, the strength to follow their dreams, and the ability to know how truly, deeply loved they are,' Anon

Safeguarding is our absolute priority. Please act on concerns that you have about any children that you know. If you have a concern about the safety of a child or young person and you want someone to find out what is going on, contact the Hampshire Children's Services Department. Monday to Friday, 8.30am to 5pm, phone 0300 555 1384. At all other times, contact the out-of-hours service, phone 0300 555 1373. **Anyone can make a referral.**

At St Peter's Miss Buxton is our Designated Safeguarding Lead (DSL), while Mrs Blake, Mrs Pestana and Mrs Foster are the Deputy DSLs. Mrs Ricketts is DSL for Little Fishes Pre-School, with Mrs Church and Mrs Hudson being her safeguarding deputies. Please remember anyone can make a referral and safeguarding is everyone's concern!

Is your child eligible for Pupil Premium Funding?

Does your child qualify for free school meals? If you are in receipt of: Income Support, Jobseekers Allowance, State pension credit, Child tax credit (as long as you are not also entitled to working tax credit and have an annual gross income of no more than £16,190, working tax credit run on or universal credit) you may be eligible for a free school meal.

Even if your child has the universal free school meal (Year R, 1 and 2) please apply for this benefit. The school receives money from central Government to support a variety of school initiatives that would be of benefit to your child. If you have any questions please speak to Mrs Lane in the school office and you can apply through <https://www.gov.uk/apply-free-school-meals>.

Penalty Notice Fines

Please see below the latest guidance from the DfE. We think it important to share with families these changes to the fining.

How much could I be fined if my child misses school?

In the majority of cases, schools and local authorities will try and provide support to help you improve your child's attendance first, but if this isn't effective or the absence is for unauthorised term time holiday, parents may face paying a fine.

Currently, it's the responsibility of the local authority to decide when to issue fines to parents, meaning the process varies from council to council. However, under the new national framework, all schools will be required to consider a fine when a child has missed 10 or more sessions (5 days) for unauthorised reasons.

Since August 2024, the fine for school absences across the country is **£80 if paid within 21 days**, or **£160 if paid within 28 days**. This rate is in line with inflation and is the first increase since 2012.

In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate of £160.

Fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action like a parenting order or prosecution will be considered.

If you're prosecuted and attend court because your child hasn't been attending school, you could get a fine of up to £2,500.

Nut Free School

Just a reminder that we remain a nut-free school due to serious allergies.

Also we encourage breaktime snacks to be healthier choices – fresh fruit and vegetables, bread sticks, raisins.... no crisps or chocolate please.
